John: I spoke with Catherine Coleman, Chair of the CPC, and she agreed that it is OK to appoint John to the at-large seat that I will be vacating on June 30. Jon has been an associate member for the last 2 years. I would put it under Selectmen's concerns as I also want to propose that Walter Foster be appointed as the Selectmen's representative to continue through the end of his term. The bylaw allows this but we should discuss it, as I am told there was some discussion about this at the last CPC meeting, which I was not able to attend. I think Andy was there. Maybe we can discuss this just prior to the meeting with Marc Draisen?

Peter;

Would you like us to place Jon's application on this week's agenda for Board action? If so, would you like it placed under Selectmen's Concerns or the Consent Agenda?

John

Peter and Maryjane,

Maryjane, I approve of Jon Benson's application to waive any VCC interview re his application to be elevated from Associate to the At Large Member of the CPC.

Peter, I leave it up to you as to whether or not Jon should be interviewed for the position by yourself,

and anyone else you want to involve, as the BOS liaison to CPC. Personally I think Jon is a well enough known quantity to skip that step, and without research I think he was already interviewed when he came up for the Associate position.

However you decide please report back to the BOS when the event is concluded. Thanks.
